

JRVR DESKTOP INSTRUCTIONS

- 1** From our website, click on the *JRVR Button*.
- 2** In the *Doll's House* view, use the mouse to move around and see the property from different angles. Click on an area of the *Doll's House* and you will be taken to that room.
- 3** There are also thumbnails at the bottom of the screen for each room. Clicking on these will take you directly to that room.
- 4** *View Points* appear as white circles on the floor of the property. Click on these to move to this point. To look around a room, click and drag the mouse in any direction. You can also navigate through a property by clicking on any area to move.
- 5** External views are 360-degree photos. Here you can click and drag the mouse in any direction to view.
- 6** To view a brief, automatic tour of the house, click the *Play Button* at the bottom of the screen.
